

To Whom It May Concern,

As Service Manager of EMC Corporation I am delighted to recommend you a member of our Technician Engineer department, Mr. Ausias Martinez Diranzo.

Ausias has been at EMC since he graduated as Customer Service Engineer in Valencia. During one year Ausias quickly worked his way into the complex area of responsibility..

Ausias performance's was characterized by high responsibility. Because of his ever best and team-oriented work, he was very appreciated with the service managers, colleagues, and customers as a competent and friendly employee.

He also learnt with ease EMC's focus in team group and leadership, and he proved these particular skills 'under difficult circumstances' with several difficult customers.
